

'Central to the performances was the driving delivery of the orchestra's principal guest conductor, Olari Elts. Sharply-focused energy and authoritative control are the hallmarks of his style, which translated into performances that captured the clarity of Schubert's orchestral writing, and more importantly, steered clear of over-indulgence.'

OLARI ELTS

Conductor

Summary

- With an astute mind and fierce intellect, this 36-year old Estonian cares deeply about the music and programming
- His confident yet self-effacing manner makes him an assured leader on the podium
- Olari Elts won the 2nd International Sibelius Conducting Competition in 2000; having previously trained as a choral conductor, he was a complete outsider who had only conducted three-four symphonic concerts prior to the competition

Positions

- 2007- present: Principal Guest Conductor, Scottish Chamber Orchestra
